United for ALICE is a driver of innovation, research, and action to improve life across the country for ALICE and for all. The development of the ALICE measurements, which provide a comprehensive, unbiased picture of financial hardship, has revealed that 41% of U.S. households cannot make ends meet.

That number is even higher in the Ohio Valley.

Data from 2024 reveals that **43%** of households in our seven-county region are struggling to survive and are forced to make impossible choices - like deciding whether to pay for utilities or a car repair - or to buy food or fill a prescription.
